**Subject:** update

Hi Tyler,

as soon as you give me the green light from publishers, I'll get the feature articles to you.

- \* another press release goes out tomorrow. will send you the link.
- \* will send updated content links today.
- \*
- the Scientific American draft is almost done.
- \*
- am working on link building with Cecile for the USVI website.

--2 positives on the 1st page.

--4 positives on the 2nd page (these will go back up when wave of new bad press dissipates).
