50,000 total cost for aug =016 thru march 2017 (projected) = 7 months @ 7,142 per =onth if we stretched to 12 months (although =ot sure you need) then it is 4,166 per month

attached paperwork says white color but =upert said they have a new black car as well however that car would =robably cost double per Rupert

Hi Rich,

I've been doing some =esearch for you.

We have a Bentley USA marketing car which has an MSRP of =361,759. It has done 3000 miles but has been driven on manufacturer =ags so has never been titled.

We could sell you the car for \$265,000 =nd will buy back for c.\$215,000 when the EWB is ready.

This is a huge discount =n the car which Bentley USA have helped with as you are waiting for an =WB.

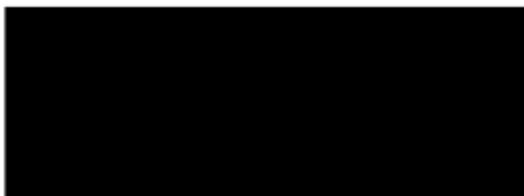

I will =essage you a couple of pictures of the car.

Many thanks,

Rupert
