Hi Jeffrey, </=iv>

sorry for radio silence.

Battulga is going through establishing his administration. Our team on the ground has been instrumental in the org structure process. There will be an independent think-tank that would assist with strategic studies and policy recommendations like CSIS and Brookings here.

Our team will be the main people there too. So thought if [REDACTED] is willing to relocate to Mongolia, we could structure that she gets employed with our company and through it have "a front row seat" with you supporting her financially. My fiancé is coming to Columbia Business School around Aug 15. [REDACTED] could sublease her place, if she likes.

Let me know what do you think. I have reached out to her asking her whether she would consider relocating, to which she said yes. Then I ask her if she would consider working in our company as I wrote above.

Best,
