**Subject:** Visa updates

Dear Sir, =

I have received some updates from [REDACTED].

=/div>

Here's a citation from the letter:

"Finally some update for [REDACTED]'s visa, it is still in process but it looks good, Admissions have high hope to have it very soon.

Migration office wanted to have the official proof of English, which is not available yet, but the copy shows high score. It seems to be a matter of time only".

(My TOEFL score is 107 out of 120. Not the best score, but practice makes perfect.)

The agency in [REDACTED], that are taking care of the visa, suggest that I come over to [REDACTED] next week with all my luggage and after I get the stamp, fly to Switzerland straight away, in order to minimise the time loss.

Best regards,

[REDACTED] [REDACTED]
