Subject: News,hi from switzerland !

"To find you assistants" so you could do what you want with them..hmm..my dangerous Jeffrey ;)

When are you in Ny and what are next travels ?

Happy first day of october ! "for there is nothing more conservative than a child, especially a girl-child, be she the most auburn and russet, the most mythopoeic nymphet in October's orchard-haze." Ah

What do i tell to hedge fund manager of [REDACTED] capital, if they come back to me ?
It was 2nd round of interview, i was interviewed by 12 people so far..most of them asked what i want to do , marketing of hedge fund or operations , where do i see myself adding more value ?
They collect smart passionate people who are hard working

Next email has my CV, where would you see me mr. Epstein? Im well spoken, great communicator, convince easily, have knowledge of law and a bit of finances, and would love to make lots of money. So i want to start in Operations and to learn trading.

Kiss from beautiful switzerland
