Hi Jeffrey, god to see you in N Y Regarding my possible flat in Oslo , I can get a loan up to 7.5 mill kr but I don't get a good one =or that amount, need to go to 10 mill. If you can guarantee (very risky) for the rest it would be of help. For me a loan of 10 mill nrk =s a little too much because I don't want to have much dept when I retire. So a joint investment which you talked about would be interesting=.

Have nice time in Paris
