Thank you for your time yesterday. The pro- deomcracy funding is a good idea, no matter what positive fallout it may have on me personally. I would be happy to sit with the Freedom House leadership .

On another note, one of the quiet things that i have already been doing is funding the International Peace Institute. . Tonight I anonymously bought out he entire vivian beaumont theatre in order that a mojority U. N diplomats could be see OSLO . the tony nominated play. If you and your guest were free. (fully aware of the last minute nature) , you would be part of the private gatherings. many interesting people will attend . Tonight at 7 , Lincoln center
