Think about who wants to give us money to deploy in Germany?

We have Stefan (it doesn't get better for Germany corporate) and a little Je=, and truly unique access esp financial institutions who need to unload ass=ts due to Basel.

We can buy loan portfolios , mortgages , real estate blocks with tens of tho=sands of units....

No auction, no American or Chinese rejection - one of safest markets in the w=rl... Maybe that's our Stability Fund or Company...?=<?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN"
