**Subject:** Re:

LSJ to Napa County airport is 7+20min (=12headwind only at this time) Last time we flew into Napa w=s 2011 in GIB ILS approach to runway 36 only, \*\*=would prefer day light landing since Runway is 5930x150 if we take B727

I'll check if there is airport restrictions for large a=rcraft into Napa as well.,

There is an airport in S=noma called Santa Rosa airport only 5150x150 would have to be GIV trip.,

Thx  
Larry
