Subject: Reminder to schedule interview

Since your application was conditionally approved, as of February 26 our system does not register the scheduling of an interview to finalize your enrollment.

To prevent your application from being cancelled, please schedule an interview immediately. Most enrollment centers have appointments available up to 4 months. To schedule an interview, access your GOES account, click on the "Schedule Interview" button and select an enrollment center and date for your interview. You can always reschedule your interview up to 24 hours prior to the already scheduled appointment. If you need to cancel an appointment within 24 hours, please contact the enrollment center to be rescheduled.
