I don't think so. You see, for example I'm going to Beijing now and I will be welcomed by my chinese friend. When he came to Rome for the first time I spend days staying with him, showing him all the beautiful places, taking him out to dinner and trying to make him happy etc.. Now that I am coming he told me he will come to pick me at the airport. When I answered it wasn't necessary he told me: "you treated me like a prince in your country, I want you to be a princess in mine, you are my italian best friend" he did everything for me. ♦=A0This makes me think I'm not such a horrible person as you say.
