Dear Je=frey,

A belated yet passionate note to thank you f=r your generous gift.

I hope you will do me the honor of inviting you to the lab to check out =ur new work which you will have inspired -- we must -- when the snow melts=and the Spring springs.

Your wit and y=ur aura have filled Joi's suite with a rare presence that is almost im=ossible to replace.
That is to say, I hope to see you again soon, either at MIT or in NY.

Yours with gratitude,
