No more listed properties that one year ago. You were focused on Bin Ennakhil. For this reason, I did not offer some other properties. Many owners don't want to publish their property. Now, you have a better view of the market. Could give me more goals : location, style, size.
Coming back to your questions. I am not in Morocco. I will check with my staff for the airco. Kings illness : Nobody knows really what could happen. I suggest a rule to all my investors. A loss of 5% of their fortune would not be very painful. I apply it for me also.

Consider only the 6 hectares plot with 100 years old trees and make an offer. You will enjoy the little nest during the 2 years you will need to built your customized place. It is an option. A bid at 6.5 could be accepted. Regards
