I know you and Mr Epstein asking about me and my family transition. Still don't know. My husband still working hard and keep visiting us in the weekends. It's not easy but we have to sacrifice because of the job. He still stay in hotel for over 2 yrs now. We plan to put our house in the market once we upgrade the house. Right now it's so tight, we have to wait. We love this house so much. It's not easy to start over again. I will keep working for Mr Epstein until I'm here or maybe even when we move. Will see. Thank you so much for thrusting me until this time. I appreciate everything. Many thanks to Mr Epstein.
