I think you should let him hang himself. If he says he has't been on the plane or to the house, then that gives you a valuable P= and political currency. You can hang him in a way that potentially genera=es a positive benefit for you, or, if it really looks like he could win, y=u could save him, generating a debt. Of course, it is possible that, when =sked, he'll say Jeffrey is a great guy and has gotten a raw deal and i= a victim of political correctness, which is to be outlawed in a Trump reg=me.
