Jeffrey

I just arrived islip, I came up early to confirm all work was done with Jay,= since Eric is left for the weekend.

All improvements look good,.

-Latches are tight,,on drawers,.

-fax machine is removed

-no Rattles on pilots arm rest

-tray table are secure no rattles when Stowed -tray table is more Secure when extended Jay installed metal piece that rest= on wood support -tray table lift is easier now -removed 2 magnets on tray table -divan close out piece installed to hide the open seatbelt area photo below -GIV Type for cushion foam for Bed installed

I'm planning to fly the G550 to Teterboro at 5:30pm and will continue to sto=k the plane, service all fluids, and Pre-flight aircraft with Pete.

I'd like to test fly G550 today and make sure no surprises for our departure=on Monday or whenever you what to depart,,

Do you approve of re-position to Teterboro today?

Thx
Larry
