Jeffrey,

Rusty Cramer my Gulfstream sales rep will have a price for air show 4000 revision 2 upgrade by tomorrow, and whether or not it's plug-and-play exchange.=

I also sent Rusty a photo of the remote that we are trying to locate, he fees since it was Gulfstream factory installed, but considered "carry-on" the=e should be back up paperwork at Long Beach completion facility archives th=t would help us locate another remote or codes=
