Hi Kathy

Enclosed you will find taxable dividends, interest, and realized gain/loss booked through the beginning of this week.<=p>

There are a few moving parts however:

- 1) Capital gains which are not reflecting on the report but are estimated to pay this month are roughly 12,000-13,000. (mostly long term)
- 2) Possible losses we could take as of last night's closing:
 - a. Short term 9600.00
 - b. Long term 11,300
 - c. Sun America I won't know what the adjusted loss we could book is until Thursday. It's a stepped loss which is adjusting over the next few days, so I should have a figure by Thursday.

I would be happy to review this via phone. If you do want to make any changes we will need to speak over the phone for I can't take email instruction.

Thanks

Danielle
