FYI...<=span>

John said he would want to get reimbursed – I am going to go back and see what the charges were for the business trips this year.

Subject: Jet Reimbursement for Leon

Lisa,

As Leon is aware we have increased the rate for jet reimbursement for from \$9,947 per hour to \$18,920 per hour. This increase is retro to January 1, 2014. We would like to know if he will be submitting for additional reimbursement for the adjustment in rate for his previous hours that have been submitted YTD. Keep in mind as per the policy the firm will reimburse for business travel the lower of the published reimbursement rate or your actual expenses.

If he plans to submit for the additional reimbursement please let us know who we should work with in order to do so prior to year end. Let me know if you have any questions.

Thanks

Grace
