Dear Mrs.Ariane

Below we send you the picture of the biggest totem that we have on our backyard,it is correct totem that you mean ?,we send you also the picture of table that we available in stock (attach file ).

If you interested with the item ,please inform us so we can offer you the price.

Regards  
Kadek

The biggest totem statue that we have,before we put at our backyard & now we put at our front shop.

Table that we have in stock

Dear Kadek

For one of my friends in the US , would you be able to carve 2 big crocodiles ( like the one you sent to me ) ? Could i please have a price quotation ?

Also do you still have the very tall totem that you had in your backyard?

Could you also send me pictures of carved tables as he might be interested to get some ?

Best regards,

Ariane de Rothschild
