Subject: Plants shipped

As requested, we shipped (3) pallets of plants for LSJ via the [REDACTED] this afternoon, arriving STT tomorrow morning (photos below of plants at the dock).

I've also included photos of the (15) Clusia that were ordered but came in smaller than expected. If you have a use for the shorter crop, let me know- the vendor discounted them to me. They are \$175 each in lieu of the \$285 previously quoted.

Regards,

Kenneth Holmes
