Subject: Fwd: The relations between Loneliness and Poverty

Here's a fabulous explanation of the symbiosis between "loneliness" & "poverty"

When kids keep asking

"why they have to study or work hard all their life and continue making money?" Show them these pictures of Brian Armatrongo, President of Renault, and his current girlfriend below.

And then explain that this is not a 'love relationship'
but a "hate relationship".
HE HATES BEING LONELY... AND SHE HATES POVERTY!!

AND THAT MY FRIEND IS HOW A REAL STIMULUS PACKAGE WORKS!
