I got bit by = tick up in PA. The bite was in my navel right on the scar from a =ernia operation I had a couple of years ago. So, for the first =eek I and the Dr.'s thought it was some kind of infection on =he scar, as weird as that is. So, the lyme had a =hance to incubate. I took the doxycycline as prescribed =nce we discovered it was lyme but it wasn't long enough so it =as never completely gone. It started to build up again and I went =o a real specialist and started taking Doxy again last week for a =C2 one month course.

Last week I was trying to =o through a lot of crap in my safes. There were some old bonds =hat P&S had. I went to cash them in because bonds =nly pay interest for 30 years and these bonds were from the =0's. I had the death certificates, power of =ttorney from Paula (which turns out is moot after one dies) will, and a =igned and notarized delegation from you. Some bank moron in the =egal department could get his head around this, so the branch manager =ust bypassed him by getting a green light for you. =/span>

Trying to get rid of a lot =f stuff so that Jason and Serena don't have to go through this =ame ordeal in years to come.

Linda Eisenstein is coming =o NY this week. Do you have any interest in seeing =er?
