Subject: flaps update

FOU=D IT.,

one of the Left side flap actuators=20is jammed,. easy to see when you try to turn with your =and from main wheel well.
we are ordering both =ctuators now,.we will remove the Left flap today,. parts will=20be couriered to my helicopter
helper friend Tod home tonight=, who will hand carry the part on airlines,. he will =rrive tomorrow in SJU at noon is the
plan for now.

=0A

FEDEX does not deliver until Tuesday,, and if we count=r to counter Customs will hold the part until Tuesday to=20clear
it in,. I've seen this before,.

Tod's =ime is free,, airline ticket is only \$288 ea way,, fast w=y to get plane repaired.

good =lan?

thx,
