Dear Jeffrey,

As a designer I've always seen Haiti through the eyes of creativity, love and inspiration. Haiti is always in my heart, especially today. This beautiful country and its people need our help.

The Urban Zen Foundation has connected and collaborated with organizations on the ground - Sow a Seed, PRODEV, Project Medishare, Artists for Peace and Justice, and Maison Handal - to deliver supplies and to care for those in the areas most affected.

I am asking for your help in providing the care so desperately needed right now. One hundred percent of your monetary donation will be used to provide emergency supplies, medical services, food, water, blankets, clothing, flashlights, batteries, and tents for those in need.

Holding Haiti in my heart.

With all my love,
