Jeffrey,

Here is the quote from Crate&Barrel as you requested.

They only offer a 10% discount for designers in their discount program but they are covering the courier cost because of the size of the order.

I went to the store on 59th street today to speak directly to my salesperson Earl, who I've worked with for almost 10 years and has never let me down.

Bloomingdales proved to be very difficult generating a quote or offering a discount!

Most of the items we were going to buy from them, Crate& Barrel carried at a lower price so we added that to this order.

The only things we will still buy from =loomingdales are the sheets, towels and bathrobes.

Once =vetlana or Julia go to Sleepy's to try the mattress then I will know =he depth of the sheets needed and can have them =ut that quote together for =ou.

Gregory
