For the things in storage, it depends whether you want/will do work on the guest houses in which case they should be sent once it's finished. Svetlana had to get back to me re. the island architect who did the plans to see if he could supervise the work.

I wanted to come to NY -for sure- 2nd -3rd week of July and come over to island.

I need directions with re all the stuff in storage for the island. I'm aware that you have more important things to do. Getting David off your plate will be a big positive
