Hi again [REDACTED]

I think I forgot to mentioned that as I went t=rough this first phase « schematic landscape design » I=know there still going to be a lot to design, modify and precise, furthermore after all reviews I had with Jeffrey, so I will keep on going with new co=cepts and ideas However If some ideas, I developed in that first phase are k=pt I would like to know it in order to go more in detail.

Many thanks, </=iv>

Kevin.
