Jeffr=y
Regarding the sound proofing of the Genset on GSJ
Would you be Ok with the following
Relocate Genset into the existing storage shed
A vented interior wall would need to be built to separate Genset from Solar b=tteries
This would achieve three things:
Sound proofing
Protect Genset from environment
Get it out of eyes view
Relocation would occur after new landscaping shed is built on GSJ

Danny has confirmed this can be done
Is this approach ok?
Regards Brice
