Dr [REDACTED] can see Yoni on Oct 19th at 9am, 10am, or 1pm, or he can speak with him on the phone. They also asked if he was going to have an issue paying as that was the reason Yoni didn't end up seeing him last time he had an appointment. (at least that's what they think) I spoke to Joe and he said he was walking out the door and would try and call you later today or tomorrow morning. He said he needs clarification from you with background info, etc. He will need to set up [REDACTED] in order to get to [REDACTED]. He also said if Yoni is going to see [REDACTED] he doesn't need to see [REDACTED].

How should I proceed?
