Dear Jeffrey

The rendering of the Dining room is done but I need 2 weeks more to save the samples, one will be only finished for mid-July.

It is classic, chic, strong and fresh !

Not so palacy ,I have thought to many ideas, to make palacy but =n 1 room in your house it would have been strange in comparaisn with th= others rooms, but I think it will be quite unusual .

You need to see the materials with the rendering or it will be impos=ible to understand

So if you come to Paris after the 15th of July you will see Florence=and me, or I or we will go to NY to present the project.

With my regards

j
