Brandon is ok to work 1 week at a time around your schedule. Please advise on dates that would work for you. Thank you.

Dear Mr. Kahn,

Thank you for your help.

The best day for me is April 24th or 25th to go and come back on May 2nd or 3rd.

It looks to me that I would have to fly four times to St. Thomas. What if I take my son with me just one time at my own expense, which would cut the trips to three.

If I will be permitted to work overtime, we can finish 35%-40% of the project, which will leave me comfortable amount of Project to finish in two weeks by myself.

Many times I give you the pieces to redo the work that was already done.

I would like to put Mr. Epstein on pedestal by performing top quality work.

Thank you again,

Brandon
