Starting with one of the worst.

10N

[REDACTED]'s current apartment.

FF&E - Apparently this is still furniture from Ghislaine's days. It is in good enough condition (besides the sofa) but from an aesthetic point of view I think it could all be replaced depending on your opinion.

Window Treatments - The 3rd image is of the window treatment. These are difficult to maneuver and clean. The 4th image is of an alternative option. The window treatment in my apartment, which was inexpensive, easy to operate and maintain.

Floors - sanded and stained in 2012

Paint - painted in 2012

Bathroom and Kitchen - I have asked quite a few times to completely redo this bathroom. It is desperate. I think the kitchen should also be renovated and modernized.
