Saif and I met with [REDACTED] today at the ag=ncy.

We talked with her about her expectations, what she'd like to do, where was she coming from, her connections in fashion/a=t in [REDACTED]..

She made clear that she wanted to leave [REDACTED] as t=ey used her image at the beginning and now it's starting to decline =n terms of projects and editos... She was not eager to have a [REDACTED] ag=ncy but she definitely would like a new management with people who can help her using the connections she has through differe=t fashion projects and ambassadorships with houses.

She attended [REDACTED] show earlier today and is close =o them so maybe explore more in that direction/relationship with Karl and =is team, even with Fendi.

We have her contact so we'll reach her end of =he week to discuss a bit about upcoming projects. We really liked her, she=is beautiful, chic and curious, enthusiastic and a very interesting profil= to represent at Next.

Thanks for introducing her to us, we'll keep y=u posted.
