Hi Richard,

I wanted to give you a quick update on 350 El Brillo. It's been listed for apx. 190 days and the price as you know was reduced from \$11mm to \$10.5mm. The listing agent said that she's had a "few" showings in August.

Overall, the market has been steady although September is typically a very slow month and with the Jewish holidays late this year, we may have a slow October as well.

Hope all is well.

Best,

Kerry
