Good Night Boss

Terrence is to start the integrating the tower into LSJ main =etwork Tuesday 1/27 to 1/29 and his new completion date for full =ompletion is 2/6. I emailed Danny today requesting the new circuits =ecessary for the flag pole pool audio system. I will organize with =andy the landscaper to help me start burying the cables on Wednesday =/28. I am also in communication with Larry in finalizing the new rack =or the equipment. He will be in the audio stores tomorrow. Once the new =ack is on its way I will dissemble the system and organize with Anna =nd Pookey to remove the cabinet.

Also sir should I start looking for a =ount for the curve?
