We will have the last three years (2012-2014) by 10/17. And aiming to have=the remainder of the years done by the end of the month. If I can get 201= done by early next week, I may share that first so that we can start havi=g discussions and walking people through the process and schedules to get =omments before we get too far.

Suzanne-i just wanted to check in on time table. Are you still shooting to =et '07-'14 materials to steve by around 10/17? Steve=does that mean we will be scheduling some sort of all hands meeting t=wards the end of october to discuss next steps (after you've reviewed mate=ials)?

Thx, brad
