American Friends of The Hebrew University is deeply saddened by the passing of the ninth president of the State of Israel, Shimon Peres--a visionary, humanist, and true friend of The Hebrew University. Mr. Peres was a partner to our mission of scientific excellence and too personal interest in the advancement of Hebrew University research in the fields of nanotechnology and brain sciences.

We are privileged to have conferred upon him an Honorary Doctorate in 1985 and The Hebrew University's Solomon Bullick Prize for Outstanding Service to the State and People of Israel in 2015.

His leadership and sage counsel will be sorely missed by all.

Yours sincerely,
