What are your other choices here?

I think the correct thing to do is to split the Difference as you were always prepared to spend up to \$6/7M for your interior.

You have a Negotiated agreement, sign it put up a HARD Deposit and get the Job Done.

Thanks

i appriectate your effort. as yours in number 6 , though low hours. the renovation is expensive , very very time consuming and frankly your plane is unsaleable. you and I both know it. there are almost no real buyers out there. . your bbj and my 727 are dinosaurs. . no easy answers to either

I'm afraid that the Seller ccan't be responsible for your extensive rearrangement of the Aircraft Cabin.

I think you're getting a fair deal as you're not flexible with keeping parts of the cabin.

If you're not interested, I will stop the process with JetAviation.

As Ever
