**Subject:** Is this OK?

"Dear M=x,

I am writing to request that you provide to Mr. Kahn all information that he requests, relevant to my estate, and to authorize you to do so."

<=iv dir="ltr">

Should Noam ask that Max and Deborah provide all information Mr. Kahn requests, or all information about Noam's estate, even if Mr. Kahn doesn't specifically request it (since Mr. Kahn is not aware of all the estate nuances)?

</=iv>
