Brad,

Jeffrey has informed me that yesterday he and Leon have agreed upon fees to be paid today. Yesterday afternoon Rich Joslin and I reviewed cash balances along with the most advantageous entities to pay fees to maximize deductions

1) 15,000,000 to Southern Trust Company, Inc.

This should be paid via Black Family Partners - 0135

Wiring instructions are as follows:

Bank Name: Deutsche Bank Trust Company Americas ABA Number: [REDACTED] Account Name: Southern Trust Company, Inc.  
Account Number: [REDACTED]

2) 4,750,000 to J Epstein Virgin Islands Foundation Inc.

In an effort to avoid public disclosure of Leon name this charitable donation should be paid from your LLC that owns automobiles.

Since automotive LLC is a single member LLC it will be the equivalent of Leon making charitable donation on will be reported on his 2015 Form 940 Since that entity does not have 4,750,000 in cash it should receive money via loan from Leon Black - 0945 or LDB 2014 LC - 8991

Wiring instructions are as follows:

Bank Name: Bank of New York, New York, NY ABA Number: [REDACTED] Account Name: Pershing LLC  
Account Number: [REDACTED]  
Account Name: J Epstein Virgin Islands Foundation Inc.  
Account Number: [REDACTED]

Please advise when wires are sent along with Fed Ref Numbers so i can confirm receipt with our bankers.  
Thank you and please call me with any questions
