**Subject:** [REDACTED] - Thank you

Jeffrey,

It really was great that you had the time to catch up with me while I was visiting NY end of the year! It was nice to see you again! Thank you for the advice you shared with me in regard to the kids and my business opportunities. [REDACTED] has decided that he would like to [REDACTED] and come to NYC to find an internship or a job. My brother [REDACTED] has offered for [REDACTED] to work for him, but I know [REDACTED] is trying for [REDACTED] something more in the world of [REDACTED]. Any suggestions, leads or advice, I know [REDACTED] would welcome!

I am really excited to be building [REDACTED] in the Bay Area. I have opened one and are now in the build out phase of the second [REDACTED]. We are researching real estate possibilities in 9 counties as we have another 8 to open over the next 4 years. I know once [REDACTED] is done with school next year I will continue to have more time to grow this business in SF. I have made the decision to pass on the franchise opportunity for NYC and focus my efforts, time and finances in developing the SF Area. At this stage I would like to communicate with you further about the possibility of financing opportunities/personal loan for the continue development of this territory in a timely manner? I am happy to speak to you in more detail and share financial data on the operation of [REDACTED]

Thank you for your time and ongoing support!

Best to you,  
[REDACTED]
