Here is what I have come up with for charters for ABQ-ASE (aspen),. if=you decide to make a stop in Grand Junction, additional cost will be applied,.I=20 guessed depart ABQ @ 9am, and return 6pm departure ASE.

option #1

2008 King 90 based in ABQ=20 (Albuquerque) Round trip \$5,002.35 (Flight time 1+25min)

option #2

Lear Jet 55 from Ray Boylan, formerly Bluest=r Jets in CA,. \$13,805.15 ABQ-ASE flig=t time +50min. photos attached,.based in Phoenix AZ.

option #3

Use N909JE GII cost if we airline in:

Fuel round trip ABQ-ASE \$7,462.00 (flight time +45min).

Dave's pay: \$2,000.00 (\$500 airline day, Wed \$1,000 fly day, Thursday =500 airline day) airline fee \$885.20 two one way tickets,. (\$443.00ea).

total GII cost estimate: \$11,232.40

**Subj:** Better deal!

Larry,

We have a Lear 55 we can provide for Jeffrey at \$13,805.15. This is a great alternative to the Lear 40 I showed you=20 earlier, a larger more spacious mid-size jet at significantly lower cost.

Operator is ARG/US Gold rated. See photos attached. Let me know if this works for Jeffrey.
