Hi Jeffrey,

Can I ask you a favor? I'm really interested in Anna Laryn, I've always thought she was a nice girl, but she's friends with my ex so it's a bit tricky. I= you recall my ex is the blonde girl, you were telling her that Anna "has n= guile", and you asked me to explain to her what guile meant. I was wonderi=g if you would you be willing to invite Anna over sometime and tell her tha= you want to introduce her to a friend (or whatever you want to tell her)? I=d like to talk to her but if I contact her directly it could backfire becau=e she's friends w my ex.

I really like this girl - precisely because she has no guile, something I ne=d in my life now. If you help me with this I will more than make it up to y=u. As a tentative suggestion I would be willing to take a scouting trip to E=rope for you, or something along those lines. Would be willing to discuss a=l, suffice to say that I would reciprocate with lots of time and energy. = Otherwise hope all is well. Book was just published!

Ramsey
