More would represent Donald if Kaslowitz out of picture. Not surprising. very hard to be law firm representing POTUS and know what to do when potus lies to u.

My world thinks poorly of Gorelick for representing Jared.

How guilty is Donald?

Of crudity surely  
Of gross ignorance surely  
Of being utterly without the intellect temperament for job surely  
Of being over line on family profiting very likely  
Of gross disregard for appearances almost surely.  
Of Russians having financial leverage. Less clear  
Of Russians helping in. Election w complicity of his campaign plausible but not certain

Strikes me if u work for Donald u don't free lance so he is guilty of whatever his campaign did.

Do u agree w foregoing?
