Hi Jeff,
Are you going to be in London anytime soon? x

I hope you are doing great! I'm quite good too! Spent few weeks with my mum and family and was very nice! Came back to London and my bf needs to travel for work so we decided that instead of staying alone in London or go back to Romania to go visit my friend in Australia! So next week I'm off to Perth!! I can't wait to discover another new culture! I never traveled as much as I did this year...and with the man that I love... I discovered Thailand, Singapore, South Korea, China, Malaysia, Hong Kong, plus all the cute European holiday weekend destinations... sometimes I question myself what did I do to deserve all these? Am I just very lucky? What do you think? :)

I was planning to go with a few friends at the Victoria Secret show in November in London but we realised it's almost impossible to get invites :(and I remember you had some investments in Victoria Secret so I thought you might be able to help...? Don't worry if not, just thought asking... and hope you don't mind!

Thank you for all you ever done for me!

Always grateful!
