@DS I'm sorry to hear about it, t=e first day is usually a fairly relaxed day, however the next few days for h=m will be intense and packed, he will be 1) introduced to business departme=ts to learn their work focus, 2) involved in the Bank of China London Branc= History project team, one of the bank's priority projects, and 3) go to tr=ding floor to talk to traders. Research Team is the Bank' s brain for the E=ecutive management, their focus is research, collect, analyze useful inform=tion that are matters to the Bank's development, we hope through this few d=ys, Edward will be able to master the research skill and an ability to sele=t useful information. However, the key is what Edward wants and expects, I w=ll talk to him today and to see how I could assist his requirements. Please=do let me know if you have any expectation? Regards,
