Jeffrey

</=pan>

I have essentially removed all of my things from the family off=ce.

I was up there yesterday afternoon as Brad did want to m=et me. We spent about half an hour talking. He did also indicate he wants =ome further dialog with me. I do not see any reason not to accommodate him=

That being said, unless I hear otherwise, I assume I should not =e going up to the family office next month

Best

Larry
