Hi Tyler,

could you address each bullet point?

\*

I've updated all content on the following sites: org, science, foundation, education, blog, facebook, twitter, google+. Will do the others tomorrow.

\*

will send you topic ideas for Forbes. Can we confirm one by tomorrow?

\*

did they input my edits to the NET site that I sent you?

\*

can we get Jeffrey a Forbes net worth listing? This ALWAYS comes up on the first page of google no matter how bad the press is. Do you have any pull to do this? Otherwise, I'll try.

\*

will send you the emails that I'm doing.

\*

update on the Foundation Center-- and what they want in terms of 990 info.

\*

starting the LLC website.

thanks,
