On 4/6/16, AS asked me to transfer \$300k from her personal account to the Lviv account. I categorized this as a loan to the business.

I never received any paperwork on this so don't know any more about it other than that. That's why I forwarded what information I had to AS so she could fill in the blanks for you.

I sent AS all the answers I had yesterday for her to take a look at and add to.

Per AS' instructions, \$300k was wired from the Lviv account to Aquilamus GmbH (Magnus) in April 2016. I never received any paperwork so don't know what entity the stock was issued to. I'm assuming AS, but can't confirm without having the documents. I'm sure she has them.
